Grooming Session Moderated by Judy Ellis

Judy Ellis, a pupil in the ninth grade and a member of the student council at Stephen M. White Junior High School, was moderator at a meeting at Gardena High School late last month. Representatives from the elementary schools and junior high schools that send pupils to Gardena High School met to discuss good grooming for school pupils in this area. A summary of the discussion was taken back to the student body of each school by the representatives where further discussion was to take place. The representatives will meet again in January where some suggestions for acceptable grooming will be

Y Teen Talk

From The YWCA

Well, here is our first Y-Teen column and I hope that some of the adults reading it will become interested in our teen-age activities. The teen-age department is made up of eight clubs and an Inner Club Council which consists of representatives from each of the eight clubs. For the girls' Christmas program they are collecting can goods and toys to give to the Visiting Nurses Association to distribute to the families who need a little Christmas Cheer. So let's all be good sports and give a little can of something. This project will be sponsored by the Inner Club Council. Senior Hi-Toppers adopted the freshman club and gave them a very impressive installation dinner. The new club is now known as the Junior Hi-Toppers. Mrs. Paul Smith and Mrs. Dan Barnard are acting as adult advisors. All of the girls want to thank Mrs. Bob Miller for all the work that she put into the dinner. Deltas also had a very impressive installation dinner here at the Y and presented their two advisors, Mrs. John Mascola and Mrs. Cletus McLean with large bouquets of flowers. Torrettes were a little bit different and had their installation at the Wayfairs Restaurant with everyone having a good time. Hi-Debs of South High School presented the Y with \$100 for a new record player. Hope you have a nice week-end and join us at our teen-age dance, Friday night. —Flora Watson
